

MONITORING AND EMERGENCY ACTION PLAN STATEMENT OF REVIEW

For Compliance with Dam Safety Rule 47CSR34-15.6 and 15.7

I hereby state that I have conducted a complete review of the Monitoring and Emergency Action Plan previously approved by the Dam Safety Section for the

_____ Dam (ID# _____). I declare that the responsible persons named in the plan, the telephone numbers listed in the plan and the configuration of the dam have not been changed since the last plan approved on _____. The existing plan contains all applicable requirements of the current example Monitoring and Emergency Action Plan as provided by the Dam Safety Section. As a result, it is not necessary to submit a revised plan to the Dam Safety Section now; however, I understand that it is my responsibility to notify the Dam Safety Section if any of the above items change.
