

Rain Barrels for Nonprofits & Educational Institutions Program

Complete and submit this form to see if your organization is eligible for a free rain barrel installation. Note: Supplies are limited. Date: _____

Name of Organization: _____

Address: _____

Phone Number: _____

Primary Contact Person: _____

Email: _____

Phone Number: _____

Number of students/youth that will be involved: _____

Answer the following questions below or attach a page with responses.
Please limit your responses to one page.

1. How would the installation of a rain barrel benefit your organization?

2. Flat ground and a downspout is required for the proper installation of a rain barrel. Do you have a downspout? If yes, are you able to create a 2' x 2' flat space next to it?

3. Does your organization utilize other environmental education, water science, or green infrastructure projects or programs? If yes, please describe how.

4. As part of the rain barrel installation, WV DEP's Project WET (Water Education Today) Program would like to present one or more water education activities with your youth. Please list the grade level and approximate number of students that we would be working with. Additionally, include any water topics (such as stormwater, water cycle, groundwater, wetlands, watersheds, or others) that your organization would like for us to cover.
