Waiver to Retain Waste Tires

§22-15-21(g) West Virginia Code **Waste Tire Management** requires that: “Any person purchasing a new tire from a retailer must provide a used or waste tire for each tire purchased or sign a waiver, provided to the tire retailer by the Department, acknowledging that he or she is retaining the waste tire and that he or she is legally responsible for proper disposal of each tire retained. These forms are to be kept by the retailer for three years.

If the tire purchaser returns to the tire retailer with a signed form given to the purchaser by that retailer, the retailer must accept up to the total number of comparable size tires as previously retained by the purchaser: *Provided*, That persons having winter tires changed or buying new winter tires and keeping usable summer tires for later installation are not required to provide a used or waste tire or sign a waiver.
