I (*print or type*) _____ (owner)
and (*print or type*) _____ (occupant)
am granting a waiver of my right to have a pre-blast survey of my structure. I understand that, by declining the offer of a pre-blast survey, I may be giving up the right to a rebuttable presumption that property damage is a result of a non-compliance blast, as allowed by law in the Code of West Virginia *Chapter 22 Article 3 Section 30a(b)(4)*. It may also affect my ability to document damage in case I wish to file a blasting damage claim. (*Both the owner and occupant must waive their right to a pre-blast survey.*)

I (*print or type*) _____ (owner/occupant) have had a pre-blast survey conducted on my structure previously and **do not** wish to have an update of the survey. Information on the previous survey is noted below:

The following information as it relates to the previous survey is to be completed by the permittee:

Owners Name: _____

Structure Number: _____ Permit Number: _____

Date of Survey: _____ Permittee: _____
