3 MR. GLANCE: Good evening. I'm Jake
4 Glance from the Department of Enviornmental
5 Protection's Public Information Office. Welcome to
6 tonight's public hearing on the Goff Connector LLCs
7 application for a construction storm water permit.

8 The Application Number is WVR-311042.
9 Also here this evening are John Michael Bosely and
10 Joe Kockrin from the Division of Water and Waste
11 Management and Terry Fletcher from the Public
12 Information Office.

13 The purpose of tonight's hearing is to
14 give you the oppportunity to share your comments with
15 the DEP about the Goff Connectors - about Goff
16 Connector's application for a Construction Storm
17 Water permit.

18 Tonight's hearing is being recorded by
19 a Court Reporter so that the comments shared can be
20 part of the public rulemaking record.

21 To ensure that we successfully achieve
22 the purpose of this hearing, we ask that everyone be
23 respectful and considerate of each other by
24 refraining from speaking - interrupting others while
25 they're speaking and keeping the comments on the

1 topic so our time together is used efficiently.

2 For those wishing to speak, when I
3 call you up to provide your comments, please state
4 your name and say if you are representing any groups
5 or organizations.

6 If you have written comments that you
7 would like to submit in addition to your spoken
8 comments, please hand them to me after you speak or
9 at the conclusion of the hearing.

10 Please remember this public hearing is
11 not the proper forum for questions and answers. We
12 are here to receive comments on this permit and
13 respond to each comment when we issue a decision.

14 If you have questions, please speak
15 with a DEP representative at the conclusion of this
16 public hearing.

17 Does anyone have any questions about
18 the format of the hearing?

19 It would appear that no one has signed
20 up to speak at this time. So what we'll do is take
21 a break and give people a chance to get here and we
22 will rejoin in just a few minutes.

23 ---

24 (WHEREUPON, A SHORT BREAK WAS TAKEN.)

25 ---

MR. GLANCE: Is there anyone who would like to speak? If not, this concludes the public hearing on Goff Connector LLC's application for a construction storm water permit. The application number is WVR-311042. The comment period ends on May 30th, 2018.

If you wish to receive a copy of the comments and responses, please make sure your e-mail address is on the sign-in sheet. Thank you for your participation. Have a nice evening and a safe drive home.

CERTIFICATE

I hereby certify, as the stenographic reporter, that the foregoing proceedings were taken stenographically by me, and thereafter reduced to typewriting by me or under my direction; and that this transcript is a true and accurate record to the best of my ability.

I certify that the attached transcript meets the requirements set forth within article twenty-seven, chapter forty-seven of the West Virginia Code.

Jordan Barry,

Court Reporter
